The **JAMES Board of Directors** is pleased to announce that at this time they are offering 2009 dues payments to be paid in semi-annual payments or quarterly installments. Yearly dues are \$1000. Please contact the JAMES office for additional details on joining at this time and selecting your payment schedule. We are committed to giving our membership the support they need to survive these challenging times.

There are numerous advantages to supporting your state association as a General or Associate Member, some of them highlighted below:

General Membership

- Annual Conferences and Educational Seminars - Reduced Rates
- Participation in AAHomecare, NAIMES, Region A Council and the Provider Outreach and Advisory Group
 - Legislative Assistance and Representation
 - Medicare and Medicaid Intermediary
- Electronic *Alerts* - an emailed publication that alerts you to the most up-to-date industry information
- Members Only Area on our Website (going "live" on or about April 1) - use the forums to discuss current events and issues within the industry with other members
- Access to JAMES General Counsel, David Barmak, Esq., at a reduced hourly rate.

Associate Membership

- Annual Conferences - Attendance for one representative and one booth included in your annual dues
 - Sponsorships available for all JAMES events for company promotion
 - Featured Associate Member Website Page
- Associate Member "Specials" emailed to JAMES General Members upon request

Membership Incentive

As an additional incentive to join for 2009, the **JAMES Board of Directors** has **reduced the deposit that must accompany your membership application by 50%.** *

If your company is applying for General Membership, you will only be required to send in a payment of \$250 with your membership application. If your company is applying for Associate Membership, you will only be required to send in a payment of \$212.50 with your application. Please contact the JAMES office for information about joining at this time and selecting your payment schedule.

JAMES recognizes that budgets are currently strained, and we would like to make membership in your local state association a manageable option for all companies.

*This is not a dues reduction, but simply a reduction in the deposit amount that needs to be submitted with your initial application for membership.
