

*Jersey Association of Medical Equipment
Services*

**General Membership/
Membership Enrollment
Meeting**

March 9, 2010

6:30 - 8:30 p.m.

*Crowne Plaza Monroe
390 Forsgate Drive
Jamesburg, New Jersey*

The JAMES Board of Directors would like to invite all JAMES members and non-members to attend our open General Membership Meeting.

Join us as our committees present informative reports on topics to include:

Medicare, New Jersey
Medicaid, legislative activities,
respiratory, rehab and membership within the association.

JAMES has been hard at work for our members on issues such as PECOS and National Competitive Bidding, as well as state Medicaid issues. Come out and listen to the updates from the JAMES committees, voice your individual company concerns with industry related topics, and network with your colleagues.

We invite non-members to come out to this meeting and preview one of the benefits of our membership!

There is no charge for this meeting, however, registration is required. Please complete the registration on the reverse side and fax to 732.833.2029 by March 5, 2010.
